Even basic tax laws are constantly changing—making it challenging for the average employee to plan with confidence. This interactive session sponsored by New York Life will provide a **solid foundation for long-term, tax-conscious planning**, giving you the knowledge to help protect, grow, and secure your financial future.

## In this webinar, you will:

- **Gain clarity** on how taxes influence your investment outcomes
- **Learn strategies** to navigate tax rules and maximize your advantages
- **Stay ahead of the curve** with insights into recent and upcoming tax code changes

## Why Attend?

This workshop isn't just about investing—it's about building confidence, creating balance, and making informed decisions that help to protect your wealth today and for years to come.
